

# COTTON GLOVES

## CG-100

Gold double fabric palm chore glove for multi-purpose use. Knit wrist style with white cotton canvas back, white knit wrist. Men's large size.

## WC-800

8 oz. white cotton flannel glove, clute pattern with knit wrist. Good for light duty assembly and maintenance work. Reversible and band top styles available.

## WC-800L

Same as WC-800, ladies size.

## WC-1200

12 oz. cotton glove for those extra heavy duty jobs where the feel and dexterity that cotton offers are important. Knit wrist.

## CD-800

Plastic dotted glove. Scores of black plastic dots are impregnated into the surface of a 10 oz. cotton glove. For use in handling slippery items such as cardboard, glass or sheet metal.

## DP-1800

18 oz. double palm glove used for moderate heat protection and high wear jobs where single layer gloves wear to fast. Knit wrist. Nap in.

## HM-2600

24 oz. Hot mill glove, double quilted palm, thumb, and index finger, with a knuckle strap, seams in, and a 2 1/2" band top.

## HM-2650

Same as HM-2600 with 5" gauntlet.

## SV-200 NON-DISPOSABLE

Stretch vinyl impregnated glove. Stretches for a perfect fit. Provides excellent dexterity and grip. The SV-200 is water repellent. Replaces cotton and goatskin gloves.

## SV-100

Same as SV-200, ladies size.
